# STOP THE SALE!

**It's not just the post office  
that's being privatized.  
Our schools, our public spaces,  
parks and services are all at risk.**

**Join Us! Help stop the ongoing  
sale of our government!**

**In April alone, the USPS moved forward on selling historic post offices in La Jolla, CA, NYC's Chelsea neighborhood and the Bronx. Like Berkeley, all have New Deal art.**
